The Links at Lang Farm opened in July of 2002 as an instant success; designed to appeal to golfers of all abilities. The Links is the only 18-hole championship executive course in New England and is the work of award winning golf architect Mike Asmundson.

Since 2002 The Links has continued to be a local favorite and is a “must-play” when visiting Vermont. The Links has been host to over 250 private tournaments and 18 State tournaments!

With 4,000 challenging yards weaving between wetlands, pumpkin patches and old-growth white pines The Links provides one of the most fun and unique golf experiences in the state. The Links is well-known for the great conditions and superb greens that gently roll and twist around deep, guarding bunkers.

The pace of play consistently falls under three and a half hours and is by-far the most enjoyable round of golf in the Greater Burlington area. With 18-holes of superb golf, a 20-station driving range with a full bent grass teeing area, as well as, a practice bunker, two putting and chipping greens The Links at Lang Farm is the perfect place to practice and improve your game. Best of all, The Links at Lang Farm is only 10 minutes from Burlington. *Come enjoy all The Links has to offer, you won't be disappointed!*
