SUBS: There will be a sub list, which MUST be utilized if missing a week. Players are responsible for finding a sub ahead of time, and must contact the other players in their group along with The Links Staff no later than Tuesday of the week they will be missing. If unable to find a sub, player missing may play ahead **twice**. Play ahead rounds must be played within one week leading up to the Thursday being missed. Scores from the play ahead will be written on the scorecard so partners and competitors know what was scored. Please reference the schedule to be sure the correct 9 and tee are played when playing ahead.

- Upon the 3rd missed Thursday for any individual, their score cannot be counted for that week. Their partner must play the match alone, thus forfeiting 9 points up front for the net aggregate portion. **Please be sure to utilize the sub list to make league as fun, fair and competitive as possible.**

USGA and The Links Local Rules will govern all play. A local rules sheet will be sent to all league participants as well as be displayed in the clubhouse and by the 1st tee.

We are excited for a great league season ahead of us, and look forward to having both Women's and Men's Leagues playing opposite 9s each Thursday night with a 5:30pm shotgun start. This will allow everyone to finish together and more comradery throughout.
